22-IGF-OIG-00047	The U.S. Department of Housing and Urban Development, Office of Inspector General, has completed its audit of Federal Housing Administration (FHA)-insured loans serviced in calendar year 2020. Our audit objective was to determine whether borrowers of FHA-insured loans maintained proper flood insurance coverage. We found FHA insured at least 31,500 loans serviced during calendar year 2020 for properties in SFHA flood zones that did not maintain the required flood insurance coverage. We found loans that had private flood insurance instead of the required NFIP coverage, NFIP coverage that did not meet the minimum required amount, or no coverage during calendar year 2020. As a result, the FHA insurance fund was potentially exposed to greater risk from at least \$4.5 billion in loans that did not maintain adequate NFIP coverage. I would like a complete list of home owners in flood zone that don't have adequate coverage. (Date Range for Record Search: From 1/1/2020 To 3/28/2022)	3/28/2022	4/8/2022	Denied in Full
